---

## Video URL

(Optional)

We will not be held responsible for URLs that do not function during judging.

- Must be live from submission date until **31st August 2025**
- **English** is recommended.
- Maximum length of video is **3 minutes**.
- Only **1** video is accepted for each entry.
- Please upload your video to **YouTube** and set the privacy settings to **"unlisted"**.

# Top 50 Global Innovative Retailers - Judging Criteria

## Technology Innovation and Application (40%)

Evaluate the company's prowess in technological innovation and the effective application of technology in its products, services, or processes.

---

## Market Viability and Performance (30%)

Assess the company's market potential, including its ability to perform well in the market and capitalize on opportunities for growth and expansion.

---

## Industry Benefits and Impact (30%)

Review the benefits and impact of the company's innovations on the industry, considering how its advancements contribute to positive changes and developments within the sector.

# **Solution Awards - Judging Criteria**

**(15)** Solution Awards

---

## **Innovation and Uniqueness (40%)**

Assess the solution's originality, innovation level, and potential to revolutionize industry practices, bringing fresh perspectives and addressing challenges.

---

## **Business Value (30%)**

Evaluate the solution's financial benefits, operational efficiency improvements, customer experience enhancements, and potential for sustainable growth.

---

## **User-Centric Design and Adoption Potential (30%)**

Focus on user experience, ease of use, and satisfaction for both retailers and consumers. Evaluate practicality, user acceptance, and effectiveness in meeting user needs for widespread adoption.

# Eligibility

The projects should have been launched to the market between 1st Jan 2024 and 31st Mar 2025.

## ***Open to Companies***

The Global Retail Innovation Awards are open to companies of all sizes, including startups, established businesses, and multinational corporations, operating in the retail or retail technology industry.

## ***Retail Technology Solutions***

Eligible entries should be innovative retail technology solutions, including but not limited to software, hardware, platforms, applications, services, or strategies that have the potential to transform the retail industry.

## ***Open to Startups***

Companies entering the competition that have been established for less than three years will automatically be considered as candidates for the Disruptive Retail Technology Startup of the Year.

## ***Solution Maturity***

Entries can include both mature solutions that have been implemented and proven in the market, as well as emerging solutions with promising potential. However, solutions should have progressed beyond the conceptual stage and demonstrate tangible progress or results.

# Submission

Submission is Free & Simple.

**01**

300-word  
Online Entry Form

Supporting Images  
/ Video / Documents

The submission deadline is 30th Apr 2025 6:00pm (GMT+8).

# Submission

## ***Intellectual Property Rights***

Participants must have the necessary intellectual property rights or permissions to submit and present their solutions for evaluation in the Global Retail Innovation Awards. Any intellectual property infringement is the sole responsibility of the participant.

## ***Language***

Entries should be submitted in English as the primary language for the award application, including the project description, supporting materials, and any accompanying documentation. English will be used for evaluation and communication throughout the award process.

*\*The retail innovation cases or solutions can originate from any language or region. If the case is submitted in a language other than English, participants are encouraged to provide an English translation or summary to ensure effective evaluation and understanding by the judging panel.*
